• “Network” means Bharti Airtel Limited’s Cellular Mobile Telephone Network as operational from time to time in the telecom circle of .....(Respective circle area).

• “Tariff” means the tariff schedule and shall include, but is not limited to, airtime, processing fee, usage charges and other related fees, and service charges and related conditions as notified and published by Bharti Airtel Limited from time to time for providing services and value added/supplementary services, wherever applicable.

• Subscriber Identification Module (hereinafter referred to as ‘SIM’) means the non-transferable activation device being a card or microchip programmed with data, which is utilised by Bharti Airtel Limited to enable the Customer to gain access to the network of Bharti Airtel Limited. SIM shall, at all times, remain the property of Bharti Airtel Limited.

• “Service Area” shall mean the Telecom Circle of ...(respective circle area)..... Where the services are provided by Bharti Airtel Limited.

• The customer will be required to fill in the APEF besides furnishing other particulars, as required by Bharti Airtel Limited to become eligible for subscribing to services rendered by Bharti Airtel Limited. In the event of any default, on the part of customer as stated above, Bharti Airtel Limited
shall be well within its right to refuse the connection of the said Customer and any monies paid shall neither be credited nor refunded under any circumstances.

• The period of subscription shall commence upon activation of the services and shall be subject to address verification and all applicable laws, rules, regulations, notifications, orders and directions of the Government of India, regulatory authorities/courts/tribunals and other Terms and Conditions of this APEF and shall run in concurrence with license agreement.

• The Customer must pay to Bharti Airtel Limited all charges for the services including applicable charges for the value added supplementary services and other payable charges or levies as published and notified by Bharti Airtel Limited. It is specifically clarified that, in case of Short Messaging Service (SMS) the customer shall be liable for the payment of applicable charge as soon as the message leaves Bharti Airtel Limited’s (SMS) centre.

• Bharti Airtel Limited reserves the right to verify, at any time during the subsistence of the service, any particulars furnished by the Customer and services provided shall, at all times, be subject to such verification.

• The grant of connection and subscription to the services is at the sole discretion of Bharti Airtel Limited and Bharti Airtel Limited reserves the right to reject any application, for any reason and/or without any liability, whatsoever. The information provided by the Customer and/or gathered by Bharti Airtel Limited shall become Bharti Airtel Limited’s property even if the application is rejected.

• Bharti Airtel Limited will allocate a mobile number at its sole discretion and connect the SIM to the network and will use all reasonable endeavours to maintain the connection and provide services to the customer.

• The Airtel Prepaid recharge cards shall be available separately in various denomination(s) on the terms and conditions as may be specified by Bharti Airtel Limited from time to time. Bharti Airtel Limited reserves the right to refuse the charging of any card at its sole discretion.

• Air time charges will be as per the prevailing tariff plan applicable for the Airtel Prepaid Card at the time of usage of the card. Bharti Airtel Limited reserves the right to change the tariff plan applicable on the Airtel Prepaid Card at any time at its sole discretion with or without notice, subject to TRAI regulations.

• Service to this SIM card will be discontinued if there is no usage, i.e., a voice call/video call (incoming or outgoing) or an outgoing SMS or a data usage or usage of Value Added Services, or payment of rental (in case of postpaid connection) etc. for a continuous period of 90 days with a grace period of fifteen days for reactivation. During the grace period, the Consumer will have the option to seek reactivation of the same number on payment of the prescribed fee which shall not exceed rupees twenty.
• The Airtel Prepaid recharge coupon/balance is non-refundable for cash or transferable under any circumstances.

• The Customer hereby understands and accepts that any change in tariff or related terms and conditions, schemes etc, communicated inter alia through SMS or USSD etc., shall be valid and proper intimation.

• The Airtel Prepaid Card has an independent tariff plan and has no bearing with on or the tariff plan of any other subscription/scheme/packages of Bharti Airtel Limited.

• Bharti Airtel Limited may, in its discretion, introduce and charge monthly service charges for the services being provided to Airtel Prepaid Card any time at its sole discretion, with or without notice, subject to TRAI regulations and charge the same from the balance amount in the Customer's account.

• As per TRAI's Regulation on Accuracy of Call Measurement, the tariff is charged depending upon the duration of the call which is recorded to be within + / - 1 second, traceable to an appropriate time reference.

• As per the GSM technical standards, a single short message (SMS) shall contain up to a maximum of 160 characters of user data which can comprise of words, numbers or an alphanumeric combination. Any SMS containing more than 160 characters or in multiples thereof, would be delivered as a separate SMS and will be charged accordingly as a separate message as per the tariff applicable.

• The Airtel Prepaid Card comes with pre-activated roaming facility which shall be charged as may be decided by Bharti Airtel Limited from time to time subject to TRAI regulations, if any.

• Airtel Prepaid Card is valid depending upon the value of the recharge coupon loaded on the SIM. Bharti Airtel Limited reserves the right to change the validity of its recharge cards of various denominations lying unsold in the market at any time at its sole discretion without any prior notice, subject to TRAI regulations. For Lifetime Validity Customers, validity is applicable as per validity of the license period of the circle, i.e. till the expiry of the license period or any renewal thereof and is subject to change in case any regulatory and licensing condition changes in future. Details of lifetime validity are available on the website www.airtel.in.

• The Airtel Prepaid Card shall be automatically deactivated when the calling value of the card is exhausted or the validity period expires without any notice. However, all free services which do not affect the calling value shall continue to be available during the entire validity period Deactivation would necessarily mean that calls and other services to and from all places are barred. Under no circumstances shall Bharti Airtel Limited refund the residual value left on the Airtel Prepaid Card to the Customer. If the Airtel Prepaid Card is recharged before expiry of the validity period, the residual value shall be carried forward to the next validity period counted from the date of recharge. The higher validity out of the coupon recharged,
shall remain applicable. Bharti Airtel Limited does not offer the facility of cumulative validates. After the expiry of validity period, the card enters the grace period. Grace period and the period of carry forward of unused balance can be enquired at the Airtel Call Centre by dialing *121# Once expired, the Airtel Prepaid Card cannot be recharged.

• Bharti Airtel Limited reserves the right to change or alter at any point of time inter alia the composition of recharge coupon its validity period, grace period, period to carry forward of unused balance amount in the Customer's account.

• In case of expiry/deactivation, the cellular number may be allotted to another Customer at the discretion of Bharti Airtel Limited. In no event shall the Customer have any lien or right over the cellular number or associated SIM card.

• The actual credit/calling value as per Bharti Airtel limited's record shall be played on the interactive voice response (IVR) system of Bharti Airtel Limited which shall be treated as final and binding on the customer. Thus deactivation, cancellation, etc., shall be carried out on the basis of the credit as played on the said IVR system of Bharti Airtel Limited.

• The Customer must ensure the safe custody of the card, original receipt, and any important documents as the same might be required from time to time under different circumstances including interface with Bharti Airtel Limited.

• In case of lost/misplaced/stolen SIM card, the entire liability of the lost/ misplaced/stolen SIM card will be borne by the customer. Further, it is the customer's responsibility that he informs Bharti Airtel of the lost misplaced/stolen SIM card immediately. In the event that the SIM card has to be replaced for whatsoever reason, the same shall be done by Airtel on such charges as are fixed by Bharti Airtel Limited from time to time and only after submission of complaint/FIR along with all other relevant documents specified by Bharti Airtel Limited in this regard from time to time.

• Upon receipt of request, the information relating to the itemised usage charges showing actual service usage details in terms of all call data records including value added services, premium rate services and roaming charges, and their monetary value will be provided to the Customer at a reasonable cost in accordance with TRAI's regulation.

• The mobile number is and shall always remain in the sole and exclusive domain of Bharti Airtel Limited. The subscriber shall have no claim on the same, at any point of time, for any reason whatsoever. The subscriber acknowledges that he/she has no interest in the SIM card and therefore is not entitled to transfer/assign/lease the SIM card(s)/mobile phone numbers to any other person under any circumstances. The ownership and effective control over the SIM always remain with Bharti Airtel Limited.

However, in case of any disputes(s) regarding the change(s) levied, the Customer shall intimate Airtel in writing within seven (7) days of receipt of the bill(s). Customer shall also pay full amount of disputed charges, if any, irrespective of any pending dispute(s). However, no waiver by Airtel to the Customer shall, in any event, become effective unless the same is in writing and such waiver shall be effective for the limited and specific instance described and for the purpose that the waiver is given.

• The Customer shall deposit such amount as interest-free security deposit, as may be determined by Airtel. Airtel reserves the right to forfeit/adjust/apply the said security deposit in full or in part satisfaction of any sum which may be due from the Customer to Airtel at any time. The Customer shall continue to be liable for balance, if any, Airtel may call for additional security deposit for Services made available to the Customer.

• Airtel in accordance with TRAI guidelines/regulations is entitled to charge, vary, add, withdraw any Services and/or to vary the tariff on these Services and/or make any stage chargeable which is not initially or at any stage chargeable.

• Upon delay/non-payment of bills beyond the due date or non-deposit of any applicable fee, charge or deposit, or any increase thereof, Airtel reserves the right to totally or partially disconnect the services of such customer. For restoring the Services, the Customer shall have to apply for reactivation of the connection, after making the due payment and the applicable restoration charges.

• Airtel will not be liable for Customer Equipment being faulty/incompatible. Customer must pay all the dues in full, without any deduction, set off or withholding.

• In case of the Customer opting for e-bill facility, ID, password and other information or details shall be exchanged through the medium of internet and Airtel shall not in any manner be responsible or liable for the secrecy or security of the same under any circumstances.
4. Customer's Obligation

• If the SIM/CPE is lost or stolen, the Customer shall forthwith inform Airtel. This notification shall authorise Airtel to suspend all or any part of the Services and/or disconnect the Services. Airtel reserves the right to charge the Customer for all losses, damages and costs accrued to be or incurred by Airtel for any unauthorised use and replacement of the SIM.

• The Customer shall not use the Services for any unlawful, immoral or abusive purposes in violation or derogation of any law/rule or regulation or statutory directive or order for the time being in force or against any public policy or for sending/receiving obscence, threatening, harassing message/communications or sending messages or communications that affect national interest, or create any damage or risk to airtel or its Network/equipments/call centre and/or other Customer(s). Any violation or misuse by the Customer shall under no circumstances be attributed to Airtel and the Customer shall be solely responsible for all such acts or omissions.

• The Customer shall intimate Airtel about change in address, if any, in writing along with such proof, as may be deemed necessary by Airtel.

• The Customer shall not use the Services as an ‘OSP’ (Other Service Provider) or for the purposes of telemarketing, directly or indirectly, without submitting to Airtel the required approvals/registration from relevant authorities.

• Unless specifically allowed by Airtel, the Customer shall not change the configuration of its EPBAX set during installation or any time subsequent thereof by way of which any of the undermentioned possibility could arise.
  a) Any setting in the EPBAX resulting in only the Pilot Number being transmitted irrespective of the extension (Directory Number) from which the call is originating.
  b) Any setting in the EPBAX resulting in incomplete extension (Directory Number) being displayed. Thereby meaning that a lesser number of digits are either allotted or displayed.
  c) The Customer shall provide a certificate from the EPBAX Equipment Vendor (wherever specially sought by Airtel) that the software has not been tampered in violation of the National Numbering Plan specified by DoT.
  d) In case the Customer wishes to use the EPBAX with a private network & PSTN, they must have proper authorisation from DoT/TRAI and must ensure that the separating traffic is done through logical partitioning.

5. Confidentiality

Privacy of communication is subject to the terms of the License Agreement of Airtel with DoT and other statutory and regulatory notifications/
directives etc. The Customer specifically agrees that in order to facilitate Airtel to provide Services, Airtel may be required to disclose any information or particulars pertaining to the Customer, to any authority, statutory or otherwise, including but not limited to any debt collection agency, credit reference agency, security agency, and reserves the right to comply with the directions of such authorities at its discretion and without intimating the Customer.

6. Ownership

• The Customer shall have no title and/or ownership and/or interest in the SIM and/or the CPE and therefore shall not be entitled to transfer/assign/lease and/or otherwise part with the same under any circumstance. The ownership and effective control over the SIM/CPE shall always remain with Airtel. The Customer shall return the SIM/CPE immediately on termination of the Relationship Period. The Customer shall not claim any charge or lien on the SIM, CPE, even if any dispute is pending between the Customer and airtel. Customer shall be responsible for the maintenance and upkeep of the CPE subject to normal wear and tear.

• All CPE, provided (but not sold) by Airtel shall always remain the absolute property of Airtel. The Customer shall only have limited right to use the custody of the equipment or other equipment/accessories during the enrolment period.

• The CPE has been provided to the Customer in order to facilitate Airtel to exclusively use the same for rendering its Services. The Customer shall not deal with the CPE independent of Airtel in any manner whatsoever.

• Customer shall neither shift the CPE nor transfer the same in any manner. In case the Customer fails to comply with the Terms and Conditions of enrolment, Airtel reserves the right to lift or remove the CPE from the Customer’s premises and terminate the enrolment without any liability whatsoever on its part.

• Airtel reserves the right to visit the premises of the Customer where CPE is installed/SIM taken to check for the bonafide usage of the Services provided after giving a reasonable notice to the Customer.

• Further, acceptance of bill payments by Airtel from a person other than the Customer does not mean acceptance of transfer/assignment/lease of any rights or obligation of the Customer to such person making the payment.

• This relationship envisages a pure and simple service agreement and it is categorically understood that the Customer shall not have any interest or domain over the Network and the technology utilised by Airtel to provide Services. There is no intention of sale or transfer of right to use in any manner whatsoever.
7. Roaming Guidelines

- Airtel reserves the right to provide roaming facility on such tariff as may be decided by Airtel from time to time within the realm of TRAI guidelines/rules/regulations.

- While roaming out of the Network, the Customer shall ensure that the cellular mobile handset is compatible to the frequency of the Visiting Network and Airtel shall not be liable for non-availing of Services on account of such non-compatibility. Roaming facility shall be subject to interconnect agreements/arrangements of Airtel with other telecom operators operating in other networks.

- Roaming tariff may differ from operator to operator. Applicable operator specific tariff(s) will be charged to the Customer. Details of tariff may be obtained from Customer Care (by calling 121) or visiting the website www.airtel.in

- Customer can avail VAS while roaming outside the Network, provided the respective roaming operator’s network supports the same. Applicable operator specified tariffs will be charged for these Services.

- In the event of international roaming, the call details will be passed on to the Customer on request on such conditions as Airtel may prescribe, subject to the availability of the same with Airtel from the respective international operator. The Customer shall not raise any dispute unless as provided for in this CRF with regard to the calls, caller line identification, etc. and shall make payment within the specified time as per the bills raised by Airtel, without any protest or demur. The completion of a call in roaming locations is subject to the call being transferred effectively by the applicable operator.

8. Disclaimer of Liability

- Airtel makes no express or implied warranty, guarantee, representation or undertaking whatsoever regarding the Services, which are not expressly mentioned herein.

- Airtel shall not be responsible for any acts or omissions of any third party including franchisees/dealers/distributors/retailers etc., with regard to scheme(s) which are not expressly authorised by airtel.

- Airtel shall not be liable to the Customer for any delays, loss of business, profit, revenue or goodwill, anticipated savings, use of contracts, damages, fees, costs, expense, orders, judgment, etc. or for any indirect or consequential loss, howsoever it arises for or on account of unavailability/usage of Services or otherwise.

- Airtel shall not be liable to the Customer for injuries or damages resulting from omissions, interruptions, delays, errors in transmission, failures or defects in equipment, or any other cause including but not limited to the
failure to transmit, which are connected with incidents of fire, explosion, war, riots, strikes, lockouts, picketing, boycotts, and cause originating in the facilities or operations of other telecom or allied service providers and other reasons or causes beyond the control of Airtel or for any reason whatsoever.

- The Terms and Conditions herein shall be subject to the notification/guidelines issued by TRAI and DoT, from time to time.

9. Additional T&Cs for Telemedia (Fixedline) Services

- The DSL/Broadband speed available to the Customer is the maximum prescribed speed for which the Customer is entitled and Airtel does not hold out any assurance that the said speed shall be maintained at all time and the same may vary depending upon the Network congestion, technical reasons or any other unavoidable circumstances.

- It is clearly understood that installation of Broadband and/or fixedline services require several vital and time consuming activities, inter alia, including laying down of cable, proper wiring of the area/premises, allocation of tag in the switch, other technical requirements etc. and therefore airtel does not prescribe or hold out any fixed timeline after execution of the CRF, during which the said Services shall be activated. Airtel shall endeavour to activate the Service within reasonable time and it is expressly agreed that the person executing the CRF shall not be entitled to raise any claim or action or damages of whatsoever nature on account of delay in activation of Services and the Customer shall only be entitled to refund of the initial amount paid by the Customer.

- With a view to give all Customers optimum Service, the Tariff plans offered by Airtel shall be subject to Fair-Usage Policy as formulated and implemented by Airtel from time to time.

10. Mobile Number Portability

- To begin with MNP, customer needs to generate UPC (Unique Porting Code) by sending SMS to 1900. UPC is an alphanumeric code allocated, upon request, by a Mobile Operator to its Subscriber for the purpose of facilitation of porting of his/her mobile number to another operator. SMS to be sent: PORT <your Mobile Number> to 1900. Operator SMS charges will be applicable.

- The activation of port-in mobile number will be done within a time frame of approx. 7 days, except 15 days in case of Assam, J&K and North East.

- Customer can cancel his port in request within 24 hours from the time of port request submission. However the port fee will not be refunded.

- Once a mobile number ports-in, it cannot be ported out for the next 90 days.
• The Donor Operator may reject the port-out request if the Subscriber is not eligible basis the following “Grounds of Rejection”-
  a. The porting request has been made before the expiry of 90 days from the date of activation of a new connection.
  b. There are outstanding payments due from the Subscriber by way of pending bill(s), issued as per the normal billing cycle but before the date of application for porting.
  c. A request for change of ownership of the mobile number is under process.
  d. The mobile number sought to be ported is sub judice.
  e. Porting of the mobile number has been prohibited by a Court of Law.
  f. Subscriber has applied for inter-service area porting.
  g. The Unique Porting Code mentioned in the porting request does not match with the Unique Porting Code allocated by the Donor Operator for the mobile number sought to be ported.
  h. There are subsisting contractual obligations in respect of which an exit clause has been provided in the subscriber agreement but the subscriber has not complied with such exit clause.
• In case of Postpaid Customer, after port-in number activation, address verification may be carried out and the services may be barred if the same is found to be negative.
• UPC code is valid only for 15 days from the date of generation.

11. Severability

If any part/clause of their CRF becomes illegal, invalid or unenforceable, that part/clause shall be ineffective to the extent of such invalidity or unenforceability only without in any way affecting the validity or enforceability of the remaining parts of said provision/clause or any other clause/provision of this CRF.

12. Jurisdiction

The courts at ...(Please refer the respective circle area CAF for this).......... shall have exclusive jurisdiction in respect of the subject matter of the CRF.

13. National Customer Preference Register (Do not Disturb registry)

• Registration or changing preferences in the Do Not Disturb Registry can be done via our website www.airtel.in/dnd or via the 1909 IVR (toll free) or by sending, “Start <option>” for preference-based communication to 1909 (toll free) or SMS “Start 0” for fully blocked. The Options are 1 for Banking/Insurance/Financial Products/Credit cards, 2 for Real Estate, 3 for Education, 4 for Health, 5 for Consumer goods & automobiles, 6 for
