INDEPENDENT AUDITOR'S REPORT

To,
The Members of Airtel Payments Bank Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Airtel Payments Bank Limited ('the Bank'), which comprise the Balance Sheet as at March 31, 2025, the Profit and Loss Account and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 ('the Act') and the circulars, guidelines and directions issued by the Reserve Bank of India ('RBI'), in the manner so required for banking companies and give a true and fair view in conformity with accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with rules thereunder, of the state of affairs of the Bank as at March 31, 2025, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Bank in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditors' Report thereon

The Bank's Management & Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0600
501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600

MUMBAI | CHENNAI | VADODARA | AHMEDABAD | GIFT CITY | BENGALURU | DELHI | PUNE | DUBAI | ABU DHABI

materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Bank's Management & Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by RBI from time to time (the "RBI Guidelines").

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Bank's Management & Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and board of directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Management & Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Bank as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The financial statements of the Bank for the previous year ended March 31, 2024 were audited by the M/s. M. P. Chitale & Co., Chartered Accountants ("predecessor auditor") who expressed an unmodified opinion on those financial statements vide their report dated May 10, 2024. Accordingly, we do not express any opinion on the same.

Our opinion on the financial statements is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 and Section 133 of the Act and relevant rules thereunder.
2. As required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, we report that:
 - (a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
 - (b) the transactions of the Bank, which have come to our notice, have been within the powers of the Bank;
 - (c) According to the information and explanation given to us, the key operations of the Bank are automated with key applications integrated to the core banking system, the audit is carried out centrally as all the necessary records and data required for the purposes of our audit are available therein. Accordingly, separate accounting returns are not required to be obtained from the branches;
 - (d) The profit and loss account shows a true balance of profit for the year then ended.
3. Further, as required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Profit and Loss Account, the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent they are not inconsistent with the guidelines prescribed by RBI;
 - (e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the
 - (f) Board of Directors, none of the directors are disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act;

- (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Bank and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"**;
- (h) With respect to the matters to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the Bank a banking company, as defined under Banking Regulation Act, 1949, Accordingly Section 197 of the Act related to managerial remuneration is not applicable by virtue of Section 35B(2A) of the Banking Regulation Act, 1949, and;

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Bank has disclosed the impact of pending litigations on its financial position in its financial statements - as per details furnished in Schedule 12 to the financial statements;
 - ii. The Bank did not have any long-term contract including derivatives contracts for which they were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Bank;
 - iv.
- (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in Note 27 (a) of Schedule 18 of the notes to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) Further, the Management has represented, that, to the best of its knowledge and belief, other than as disclosed in Note 27 (b) of Schedule 18 of the notes to the financial statements, no funds have been received by the Bank from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Bank shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries and

- (c) Based on such audit procedures performed, that were considered reasonable and appropriate by us in the circumstances and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the management representations made under subclause (a) and (b) above contain any material misstatement.
- v. The Bank has neither declared nor paid any dividend during the year;
- vi. Based on our examination which included test checks, the Bank has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Further, the Bank has complied with the statutory requirements of preservation of the audit trail for transactions recorded in the software from the date of enabling the audit trail feature.

Annexure A to the Independent Auditor's Report of even date on the financial statements of Airtel Payments Bank Limited for the year ended March 31, 2025

[Referred to in paragraph 3(f) under 'Report on Other Legal Regulatory Requirements' in the Independent Auditors' Report]

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls with reference to financial statements of Airtel Payments Bank Limited ('the Bank') as at March 31, 2025, in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Bank's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the Internal Control over Financial Reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ("Standards"), prescribed under section 143 (10) of the Act to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A bank's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Bank's internal financial control with reference to financial statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of Management and Directors of the Bank; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Bank has maintained, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Airtel Payments Bank Limited

Significant Accounting Policies

Schedule 17: Significant Accounting Policies

1. Background

Airtel Payments Bank Limited (the 'Bank' or 'Company') was incorporated under Companies Act, 1956. The Company had been in business of providing Semi-Closed Prepaid Payment Instrument and domestic remittance services.

The Company applied for the Payments Bank License to Reserve Bank of India and obtained the banking license on April 11, 2016. Registrar of Companies issued a fresh Certificate of Incorporation (COI) dated May 2, 2016 from which the name of the company changed from 'Airtel M Commerce Services Limited' to 'Airtel Payments Bank Limited'. The Payments Bank commenced its operation on November 23, 2016. As per the Reserve Bank of India (RBI) guidelines, Payments Bank cannot directly undertake lending activities but can offer Savings & Current account, issue prepaid wallets, offer remittance products, other payments product and distribute third party non risk sharing financial products such as insurance, mutual fund, loans etc.

As the Payments Bank cannot lend to any person except their own employees, accordingly, all the disclosures pertaining to advances have not been made.

The Bank has been included in the Second Schedule to the Reserve Bank of India Act, 1934 vide Notification DoR.LIC.No.S2659/16.13.215/2021-22 dated December 02, 2021, and published in the Gazette of India (Part III – Section 4) dated January 01- January 07, 2022.

The Bank currently provides Savings Account and Current Account, Semi-Closed Prepaid Payment Instrument, Remittance service, Collection services, and distributing third party non risk sharing financial product such as insurance to the customers. The Bank has received a license from Insurance Regulatory and Development Authority of India to operate as Corporate Agent, that has enabled the Bank to distribute insurance products of the partner Companies.

2. Basis of preparation

The financial statements have been prepared in accordance with statutory requirements prescribed under the Banking Regulation Act, 1949. The accounting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the guidelines issued by Reserve Bank of India (RBI) from time to time, the Accounting Standards specified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021 to the extent applicable and other relevant provisions of the Companies Act, 2013, in so far as they apply to Bank's and practices generally prevailing within the banking industry in India. The financial statements have been prepared under the historical cost convention and on an accrual basis except unless otherwise stated by RBI guidelines. The accounting policies have been consistently applied by the Bank and are consistent with those used in the previous year.

Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year.

The Bank's Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to the accounting estimates is recognised prospectively in the current and future periods.

3. Summary of significant accounting policies

3.1 Investments

Initial Recognition:

All investments are recognized at fair value on initial recognition, primarily the acquisition cost. Where facts and circumstances suggest that the fair value is materially different from the acquisition cost, the difference between the fair value and the acquisition cost is recognized in accordance with RBI guidelines.

Airtel Payments Bank Limited

Significant Accounting Policies

Classification: All investments are classified into 'Held to Maturity' (HTM), Available for Sale' (AFS) and Fair value through Profit and Loss account (FVTPL) including Held for Trading (HFT) which is a separate investment sub-category within FVTPL on the date of purchase as per the extant RBI guidelines on classification, valuation and operation of investment portfolio by Banks. Under each classification, the investments are further categorised as (a) government securities, (b) other approved securities, (c) shares, (d) bonds and debentures, and (e) others. Further, all the investments including debt investments in subsidiaries, joint ventures and associates are classified in a separate category.

The Bank follows 'Settlement Date' accounting for recording purchase and sale transactions of securities, except in the case of equity shares where 'Trade Date' accounting is followed.

Classification & Subsequent Measurement:

HTM:

Investments are classified as HTM if:

- 1) The security is acquired with the intention and objective of holding it to maturity, i.e., the financial assets are held with an objective to collect the contractual cash flows; and
- 2) The contractual terms of the security give rise to cash flows that are solely payments of principal and interest on principal outstanding ('SPPI criterion') on specified dates.

HTM securities are carried at cost. Any premium or discount over the face value of fixed rate and floating rate/staggered securities acquired is amortized over the remaining period to maturity on a constant yield basis and straight line basis respectively.

AFS:

Investments are classified as AFS if:

- 1) Security is acquired with an objective that is achieved by both collecting contractual cash flows and selling securities; and
- 2) The contractual terms of the security meet the 'SPPI criterion'.

Further, certain equity investments are also designated as AFS investments, where on initial recognition, the Bank has made an irrevocable election to classify such equity investments as AFS investments.

Investments classified as AFS are fair valued periodically as per RBI guidelines. Any premium or discount over/below the face value of fixed rate and floating rate/staggered securities acquired is amortised over the remaining period to maturity on a constant yield basis and straight-line basis respectively. The unrealised gain or loss across all performing AFS investments (adjusted for effect of taxes, if any) is recognised in "AFS reserves".

FVTPL:

Securities that do not qualify for inclusion in HTM or AFS are classified under FVTPL.

There is a separate sub-category called Held for trading (HFT) within FVTPL. The HFT investments primarily include listed equity investments (except for equity investments designated as AFS investments) and debt securities acquired with an intent to sale.

Investments classified as FVTPL are fair valued periodically as per RBI guidelines. Any premium or discount over the face value of fixed rate and floating rate/Staggered securities acquired which pass the SPPI criterion is amortised over the remaining period to maturity on a constant yield basis and straight-line basis respectively. The unrealised gain or loss across all performing FVTPL investments is aggregated across all categories and net appreciation/depreciation is recognised in profit and loss account.

Acquisition Cost: Costs, including brokerage and commission pertaining to trading book investments paid at the time of acquisition and broken period interest (the amount of interest from the previous interest payment date till the date of purchase of instruments) on debt instruments, are charged to the profit and loss account.

Disposal of investments:

- a. Investments classified as FVTPL or AFS-** Profit or loss on sale or redemption (except AFS equity investments) is recognised in the Profit and Loss Account. The realized gain or loss on AFS equity investments is recognised in AFS Reserve.

Airtel Payments Bank Limited

Significant Accounting Policies

b. Investments classified as HTM- Profit on sale or redemption of investments is recognised in the Profit and Loss Account and is appropriated to Capital Reserve after adjustments for tax and transfer to Statutory Reserve. Loss on sale or redemption is recognized in the Profit and Loss Account.

c. Traded investments are valued based on the trades / quotes on the recognised stock exchanges, price list of RBI or prices declared by Financial Benchmarks India Pvt Ltd. ('FBIL'), periodically.

The market or fair value of unquoted government securities included in the 'AFS' and 'FVTPL' categories, is determined as per the price published by FBIL.

Unquoted bonds and debentures are valued by applying an appropriate mark-up (reflecting associated credit risk) over the Yield to Maturity (YTM) rates of government securities. Such mark-up and YTM rates applied are as per the relevant rates published by FBIL.

d. Treasury Bills being discounted instruments, are valued at carrying cost.

e. Non-performing investments are identified and valued based on the RBI guidelines. The depreciation / provision on such Non-performing investment are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognized in the Statement of Profit and Loss until received.

f. Repurchase and reverse repurchase transactions- Securities sold under agreements to repurchase (Repos) and securities purchased under agreements to resell (Reverse Repos) are accounted as collateralised borrowing and lending transactions respectively. The difference between the consideration amount of the first leg and the second leg of the repo is recognised as interest income or interest expense over the period of the transaction.

3.2 Fixed assets and depreciation / amortization

i) Tangible assets and depreciation

Fixed Assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working conditions for its intended use. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future benefit /functioning capability from / of such assets. The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are recognised in the Profit and Loss Account as incurred. Capital work in progress is valued at cost.

Gains and losses arising from retirement or disposal of the tangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in Profit and Loss Account on the date of retirement or disposal.

Depreciation on fixed assets is provided on the straight line method based on useful lives of respective assets as estimated by the management. The assets' residual values and useful lives are reviewed at each financial year end or whenever there are indicators for review, and adjusted prospectively.

Estimated useful lives of the assets are as follows:

Sr. No	Particulars	Years
1	Computers	2-3
2	Servers	5
3	Office Equipment	
3(a)	Mobile phones	2
3(b)	Other Office Equipment	5
4	Furniture & Fixtures	5
5	Leasehold Improvements	Period of lease

The management basis its past experience and technical assessment has estimated the useful life, which is at variance with the life prescribed in Part C of Schedule II of the Companies Act, 2013 and has accordingly, depreciated the assets over such useful life.

Airtel Payments Bank Limited
Significant Accounting Policies

ii) Intangible assets and amortization

Intangible assets comprising of software and acquired intangible assets which are stated at cost less amortization. Significant expenditure on improvement to software are added to its book value only when it is probable that such expenditure will enable the assets to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to assets reliably. Intangible under development is valued at cost.

Sr. No	Particulars	Years
1	In-house developed Software / platform	3
2	Purchase Software/ License*	Over the period of Software/ License, generally not exceeding five years
3	Other intangible assets#	Over the period of contract / agreement

*Software/ License is capitalized at the amounts paid to acquire the respective software/ license for use and is amortized over the period of software/ license, generally not exceeding five years. Wherever the life is not specified/ ascertainable then the same is based on management's evaluation and estimate but generally not exceeding five years.

Addition to software are assessed on a line by line basis and grouped together if they are considered to be used independent of the application software. Such additions are considered to be separate software and amortized over the useful life. If such addition cannot be used independent of the application software then they are capitalized as a part of application software and amortized over the useful life.

#Bank has entered into certain long term contracts for NCMC metro related projects under these contracts the bank is obligated to make payments towards certain fees over the period of contracts. The bank will be earning revenue from metro authorities on customer travel and from customers on issuance of NCMC cards. Entire amount payable over the contract term is initially recognized as capital work in progress. On commencement of the operations the amount are considered "other intangible assets". Bank has assessed the estimated pattern of economic benefits expected from these assets. Accordingly, amortization on these assets is being calculated using a revenue-based approach over the period of the contract, which reflects the consumption of economic benefits. The Bank will reassess future projections at the end of each financial year to ensure ongoing alignment.

3.3 Impairment of assets

The carrying amounts of assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount may not be recoverable or when annual impairment testing for an asset is required. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An impairment loss is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

3.4 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise Balances with RBI, cash on hand, cheques on hand, balances with other Banks/Institutions and money at call and short notice.

Airtel Payments Bank Limited

Significant Accounting Policies

3.5 Revenue recognition and receivables

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Bank and the revenue can be reliably measured. Revenue is measured at the consideration received/receivable, excluding discounts, rebates, and Goods and Service Tax (GST) or duty.

i) Interest

Income on account of interest and other activities are recognised on an accrual basis. Interest income on discounted instruments is recognised over the tenure of the instruments so as to provide a constant periodic rate of return.

ii) Dividend

Dividend income is accounted on an accrual basis when the right to receive the dividend is established.

iii) Commission exchange and brokerage and other revenue

Service revenue is recognised on completion of provision of services. Revenue, net of discount, is recognised on transfer of all significant risks and rewards to the customer and when no significant uncertainty exists regarding realization of consideration. The major streams and its recognition criteria are as follow: -

- A. Revenue from collection services is recognised on completion of provision of services.
- B. Revenue from remittances and transfers services is recognised as and when the transaction is completed.
- C. Revenue from insurance commission and referral fee is recognised on completion of provision of services.
- D. Transactions fees and all other fees are accounted for as and when it is due.
- E. Incentives from government authorities/ projects and all other fees and transactions are accounted for as and when it is due.
- F. Incentives/Subsidy received from government authorities are deferred and recognized as revenue over the period of underlying asset.

3.6 Foreign currency translation

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are translated using exchange rates prevailing at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are translated using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are translated using the exchange rates at the date when the values were determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on restatement of the Bank's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Airtel Payments Bank Limited

Significant Accounting Policies

3.7 Employee benefits

The Bank's post-employment benefits include defined benefit plan and defined contribution plans. The Bank also provides other benefits in the form of compensated absences.

Under the defined benefit retirement plan, the Bank provides retirement obligation in the form of Gratuity. Under the plan, a lump sum payment is made to eligible employees at retirement or termination of employment based on respective employee salary and years of experience with the Bank.

For defined benefit retirement plans, the present value of the plan recognised as liability in the balance sheet. Scheme liabilities are calculated using the projected unit credit method and applying the principal actuarial assumptions as at the date of balance sheet.

All expenses in respect of defined benefit plans, including actuarial gains and losses, are recognised in the statement of profit and loss as incurred.

The Bank's contributions to defined contribution plans are recognised in statement of profit and loss as they fall due. The Bank has no further obligations under these plans beyond its periodic contributions.

The employees of the Bank are entitled to compensated absences based on the un-availed leave balance as well as other long term benefits. The Bank records liability based on actuarial valuation computed under projected unit credit method.

Employee Stock Option Scheme (ESOS)

The Employees Stock Option Scheme (APBL ESOP – 2017 scheme, as amended so far) provides for grant of options on the Bank's equity shares/ non-cumulative compulsorily convertible non-redeemable preference shares to certain employees of the Bank and Bharti Airtel Limited. The scheme provides that employees are granted an option to subscribe to equity shares of the Bank that vest in a graded manner. The options may be exercised within specified period. The Bank records the Employees Stock Options in accordance with the Guidance Note on Accounting for Share Based Payments. The Bank follows the fair value method to account for its stock-based employee compensation plans. In case of equity-settled awards, the stock option is fair valued on grant date and amortized over the vesting period. The amortization of fair value is recognised as an expense in the statement of profit and loss within employee benefits as employee share-based payment expenses, with the corresponding increase in share-based payment reserve.

Gain on cancellation/forfeiture of unvested options are recognized as a decrease in expense in Profit and Loss Account within employee benefits. Further, share based payment reserve transferred to General Reserve at the time of cancellation/expiry/forfeiture of vested options.

3.8 Leases

The determination of whether an arrangement is a lease is based on whether fulfillment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement

Leases where the lessor transfers substantially all the risks and rewards of ownership of the leased asset are classified as finance lease and other leases are classified as operating lease.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term. A lease that transfers substantially all the risks and rewards incidental to ownership to the Bank is classified as finance lease.

3.9 Taxes

Income tax expenses comprises current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Act 1961) and deferred tax charge (reflecting the tax effect of timing differences between accounting income and Taxable income for the year).

Current Income tax

Provision for current tax is recognized based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with tax laws applicable.

Airtel Payments Bank Limited

Significant Accounting Policies

Deferred tax

Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Bank has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date, unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably or virtually certain, as the case may be, that future taxable income will be available against which such deferred tax assets can be realised.

3.10 Segmental reporting

The, segment information as per AS 17, "Segment Reporting", has been disclosed as per guidelines issued by RBI. Attributable assets, liabilities, income and expenses are either specifically identified with individual segment or are allocated to the segment in a systematic basis.

3.11 Earnings / (loss) per share

The Bank reports basic and diluted earnings per share in accordance with Accounting Standard 20 Earnings Per Share. The earnings / (loss) considered in ascertaining the Bank's Earnings per Share ('EPS') comprises of the net profit / (loss) after tax attributable to equity shareholders.

Basic earnings per share is computed by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares and dilute potential equity shares outstanding during the year.

3.12 Provisions and contingencies

Provisions are recognised when the Bank has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank or a present obligation that is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Information on contingent liabilities is disclosed in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognized in the period in which the change occurs

Airtel Payments Bank Limited
Notes to Financial Statements

Schedule -18: Notes to Accounts

Disclosure as laid down by Reserve Bank of India (RBI) Circulars. Amounts in notes forming part of the financial statements for the year ended March 31, 2025 and March 31, 2024 are denominated in rupee crore to conform to extant RBI guidelines, except where stated otherwise.

1) Regulatory Capital

a) Composition of Regulatory Capital

The Bank computes capital adequacy ratio as per New Capital Adequacy Framework Basel II and operating guidelines for Payments Banks (issued by RBI on October 06, 2016).

The Capital adequacy ratio (CRAR) of the Bank is calculated as per the standardized approach for Credit Risk. As per RBI directions dated November 08, 2017 DBR. NBD. No. 4503/16.13.2018/2017-18, RBI for the time being has advised that no separate capital charge is prescribed for market risk and operational risk for Payments Banks. Capital Adequacy Ratio of the Bank at March 31, 2025 is 37.95% against the regulatory requirement of 15.00% prescribed by RBI.

Capital conservation buffer & Counter-cyclical capital buffer is not applicable on Payments Banks as per operating guidelines issued on Payments Banks by RBI.

The following table sets forth, for the period indicated, computation of capital adequacy as per Basel-II framework.

(Rupees in Crores)

Note: - Others includes "Mis-selling/Para-banking" cases.

11) Disclosure of Penalties imposed by RBI under Banking Regulation Act,1949

During the year ended March 31, 2025 and March 31, 2024, no penalty was imposed on the Bank by RBI under the provisions the (i) Banking Regulation Act, 1949, (ii) Payment and Settlement Systems Act, 2007 and (iii) Government Securities Act, 2006.

12) Disclosure on Remuneration

Qualitative Disclosure

a. Information relating to the composition and mandate of the Remuneration Committee:

The Nomination & Remuneration committee comprises of non-executive directors including Independent Directors of the Bank. Key mandate of the Nomination & Remuneration committee is to oversee the identification, appointment and fixation of remuneration of directors, Key Managerial Personnel ("KMP") and senior management positions and in overall design and operation of the compensation policy of the Bank to achieve alignment between risks and remuneration.

b. Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy:

- To lay down the criteria and terms and conditions with regard to appointment of Directors (executive and non-executive including Independent Directors), KMP and senior management.
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage for the Bank.
- To determine remuneration of Directors, KMPs and other senior management personnel's keeping in view all relevant factors including industry trends and practices.
- To provide for rewards linked directly to their effort, performance, dedication and achievement of Bank's targets.

The remuneration process is aligned to the Bank's Compensation Policy objectives.

c. Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks:

In order to manage current and future risk and allow a fair amount of time to measure and review both quality and quantity of the delivered outcomes, a significant portion of senior and middle management compensation is variable.

In addition, remuneration process provides for 'malus' and 'clawback' option to take care of any code of conduct related issue or future drop in performance of individual/ business/ bank.

d. Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration:

Individual performance is assessed against the Key Result Areas (KRAs) determined for each Individual and bank (Airtel Payments Bank Limited) for the year to achieve the top business priorities. The Total Cost to bank (TCC) for all employees is a mix of fixed pay and variable pay. The variable pay, as a percent of the TCC is a function of the nature of job and the band of the individual in the hierarchy. The variable payout is calculated as a percent of the target variable pay basis individual performance against the pre - determined KRAs and the bank's performance measured against a bank-specific scorecard.

e. A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting:

Employees are classified into following three categories for the purpose of remuneration:

Category I: Chief Executive Officer (CEO) & Material Risk takers (MRT)

Category II: Risk Control and Compliance Staff

Category III: Other categories of Staff -

Following principles are applied for deferral / vesting of variable remuneration in accordance with RBI guidelines and Bank's compensation policy:

Category I: Chief Executive Officer (CEO) & Material Risk takers (MRT)

- a. The total variable pay shall be limited to a maximum of 300% of the fixed pay (for the relative performance measurement period). In case variable pay is up to 200% of the fixed pay, a minimum of 50% of the variable pay; and in case variable pay is above 200%, a minimum of 67% of the variable pay should be via non-cash instruments.
- b. The Cash component of the Variable Pay will not exceed 50% of the Variable Pay.
- c. In case the Variable Pay in any year reaches the level of 50% or more of the Total Fixed Pay, an appropriate portion of the Variable Pay shall be deferred as per the Board approved Remuneration Policy.

Airtel Payments Bank Limited
Notes to Financial Statements

The compensation will be approved by the Nomination and Remuneration committee. Additionally, compensation of MD & CEO will further approved by RBI.

Category II: Risk Control and Compliance Staff

The bank has separated The Risk, Control and Compliance functions from Business functions in order to create a strong culture of checks and balances and to eliminate any possible conflict of interest between revenue generation and risk management and control. Accordingly, overall variable pay as well as annual salary increment of the employees in these functions will be based on their performance and functional objectives. The Bank ensures that the mix of fixed to variable compensation for these functions is weighed in favour of fixed compensation. A reasonable proportion of compensation will be in the form of variable pay, so that exercising the options of malus and/or clawback, when warranted, is not rendered infructuous.

Category III: Other categories of Staff

This category includes all other employees, not covered in the first 2 categories.

For adjusting deferred remuneration before & after vesting:

The deferred/variable remuneration (including Long Term Incentive) of employees shall be subject to malus/clawback arrangements in the event of negative contributions of the bank and/or the relevant line of business in any year.

Malus: A malus arrangement permits the bank to prevent vesting of all or part of the amount of a deferred remuneration, however, it does not reverse vesting after it has already occurred.

Clawback: A clawback is a contractual agreement between the employee and the bank wherein the employee returns previously paid or already vested deferred/variable pay to the Bank under certain circumstances.

Under Malus and/or clawback arrangement, the bank, at the discretion of Nomination and remuneration Committee/Board of Directors, shall have the power to prevent vesting of all or part of the amount of a deferred/variable remuneration or reduce, withhold, cancel, clawback such remuneration or impose further conditions in certain circumstances including:

- Significant drop in performance of individual/ bank;
- Disciplinary Action against the individual;
- Resignation of the individual prior to the payment date;
- Directions/approval of any authority governing the bank.

f. Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilizes and the rationale for using these different forms:

The main forms of such variable remuneration include:

- Cash – this may be at defined intervals (quarterly/annual/other custom frequency).
- Deferred Cash / Deferred Incentive Plan.
- ESOP as per SEBI guidelines.

The form of variable remuneration depends on the job level of individual, risk involved, the time horizon for review of quality and longevity of the assignments performed.

Note:- The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion, Business plan, HR policy and other relevant factors, such as supply and demand in employment market.

e) Long term service award provided by the Bank as on March 31,2025 is Rs. 0.83 Crores (as on March 31,2024 Rs. 0.53 Crores)

16) Employee Stock Option Scheme (ESOS)

The following table provides an overview of existing share option plans of the Bank:

Scheme	Vesting Period
Equity settled Plan	
ESOP scheme-2017	4 years

Weightage average fair value per unit is revised from Rs.9.30 to Rs. 12.70 for the options granted during the year. Total share based payment expenses during the year is Rs. 10.21 Crores (Previous Year: Rs. 7.20 Crores).

During the FY 2022-23, ESOP scheme and plan 2017 was revised. As per revised scheme exercise period is 3 years from vesting date or 1 year from IPO listing (whichever is later). Eligible employee will be able to exercise the option at a price of 50% of Fair Market Value (determined at the time of first external liquidity event, which can be either via a direct primary investment in the Bank by a non Bharti Group entity or by sale of shares in the secondary market by the shareholders to a non Bharti Group entity or IPO ("Liquidity Event") or Face value per equity share of Rs 10; whichever is higher (As per the old scheme, exercise period was 3 years from vesting date or 1 year from IPO listing [whichever is later] and exercise price was 50% of Fair Market Value ("FMV") determined at the end of previous financial year or INR 10 whichever is higher).

Airtel Payments Bank Limited
Notes to Financial Statements

The movement in the number of stock options is as follows:

	For the year ended March 31, 2025		For the year ended March 31, 2024	
	Number of Options	Weighted average exercise price(Rs.)	Number of Options	Weighted average exercise price(Rs.)
i) Outstanding at the beginning of the year	43,882,457	10	35,168,340	10
ii) Add: Granted during the year	12,856,374**	10	11,668,742	10
iii) Less: Expired during the year*	-	10	-	10
iv) Less: Forfeited during the year*	1,813,975	10	2,954,625	10
v) Less: Exercised during the year	-	10	-	10
vi) Outstanding at the end of the year [i+ii-iii-iv-v]	54,924,856	10	43,882,457	10
vii) Unvested at year end	28,421,628	10	24,766,397	10

The Weighted average remaining contractual life of options is 5.5 years, (PY: 4 to 5.5 years).

* Expired represents the option expiry from vested options and forfeited represents the unvested option.

** Out of the above, 561,400 options were granted during earlier years.

Fair Value methodology

The fair value of options has been estimated using The Black Scholes Model. The shares of the Bank are not listed on any stock exchange. Accordingly, the Bank has considered the volatility of the Bank's stock price as an average of the historical volatility of the similar listed enterprises for the purpose of calculating the fair value. The key assumptions used to estimate the fair value of the options granted are given below.

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Risk-free interest rate	7.1%	7.3%
Expected Life	5.5 years	4 to 5.5 years
Expected volatility	49.5%	48.8%
Dividend yield	NA	NA

17) Accounting Standard AS-17 – Segment Reporting

- i) The Business Segments, which is the Primary Segment include:
 - Treasury Operations
 - Retail Banking Operations
- ii) The Geographical segments are recognized as the Secondary Segment. As the Bank is not carrying on any foreign operations, the only reportable geographical segment is of Domestic operations.
 - **Treasury Operations:** Treasury operations consist of dealing in securities and Money Market Operations.
 - **Retail banking business operations:** Includes all other Banking operations not covered under Treasury. Other banking business is the residual category.

For presentation of results of treasury operations as part of the segment disclosure, the Bank has considered interest costs attributable to the treasury operation which has been derived based on yield of T-bills securities considering the maturity profile of assets / liabilities of the treasury operation.

26) There are no changes in the significant accounting policies applied during FY 24-25 as compared to those applied in FY 23-24 except for classification and measurement of investments by the Bank. With effect from April 1, 2024, the Bank has implemented Master Direction issued by the RBI on Classification, Valuation and Operation of investment Portfolio of Commercial Banks (Directions), 2023 ('RBI Directions') which has introduced significant changes in the basis of classification and accounting of investments and recognition of fair valuation of gains and losses. Accordingly, in the financial statements, the Bank has accounted net transition gain of Rs. 0.43 crore in General Reserve in accordance with the RBI Directions. Subsequent changes in fair value of performing investments under AFS category at March 31, 2025 have been recognised through AFS Reserve amounting to Rs 0.09 Crores. Accordingly, the amounts for previous periods are not comparable.

27) As per the operating guidelines for Payments Bank issued by Reserve Bank of India (RBI) vide its circular no. RBI/2016-17/80/DBR.NBD.No.25/16.13.218/2016-17 dated 6th October, 2016, Payments Bank cannot lend to any person except their own employees. Accordingly, all the disclosures pertaining to advances and securitisation have not been made.

Further during the financial year ended 31st March 2025, other than the transactions undertaken in the normal course of banking business and in accordance with extant regulatory guidelines and Bank's internal policies, as applicable.

- a) the Bank has not granted any advance/loans or investments or provided guarantee or security or the like to any other person(s) or entities with an understanding, whether recorded in writing or otherwise, to further lend/invest/provide guarantee or security or the like to any other person on behalf of the Bank.
- b) the Bank has not received any funds from any person(s) or entities with an understanding, whether recorded in writing or otherwise, that the Bank shall further lend or invest or provide guarantee or security or the like in any other person on behalf of and identified by such person(s)/entities.

28) Ministry of Corporate Affairs (MCA) vide its notification number G.S.R. 206(E) dated March 24, 2021 (amended from time to time) in reference to the proviso to Rule 3 (1) of the Companies (Accounts) Amendment Rules, 2021, introduced the requirement of only using such accounting software w.e.f April 01, 2023 which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The Institute of Chartered Accounts of India ("ICAI") issued an "Implementation guide on reporting on audit trail under rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (Revised 2024 edition)" in February 2024 relating to feature of recording audit trail.

The Bank has identified relevant applications / accounting softwares that record financial transactions, along with the ERP system to which the aforementioned provision and guidance apply. The Bank has adequate general

Notes to Financial Statements

information technology controls (GITCs) over its applications / accounting softwares and alternate sources including manual controls for financial reporting. The Bank has implemented the audit trail (edit log) facility on these applications / accounting softwares to comply with the requirements of the above rule and the same has been operating throughout the year for all relevant transactions recorded in the software systems for the year ended 31st March 2025.

Further, the audit trail has been preserved by the Bank as per the statutory requirements for record retention from 14th March 2024 as the functionality of enabling audit trail was commenced/implemented on that date.

- 29)** Comparative figures: Figures of the previous year have been re-grouped and reinstated to conform to the current year presentation.
